ILLEGAL/NON-US CITIZEN ARRESTED IN RURAL BOURBONNAIS FOR SEXUAL-RELATED OFFENSES

August 8, 2024 – Kankakee, IL – Sheriff’s deputies responded to a sexual incident that occurred Tuesday evening in unincorporated Bourbonnais. The details of the investigation subsequently resulted in the arrest of 38-year-old Juan C Alvizar, who resides in Oak Creek Estates Mobile Home Park.

Since his arrest, agents with the U.S. Immigration and Customs Enforcement agency (Homeland Security) have issued a detainer based on Alvizar’s status as an illegal alien.

“Although we want to make every effort possible to maintain the privacy to the victim in this particular case, I think it’s vitally important to the residents of

Kankakee County to understand that this heinous act was completely avoidable based solely on the fact that this offender should not be in the country,” said Sheriff Mike Downey. “I want to thank all of our deputies and investigators that have spent a great deal of time and effort working on an extremely challenging and disturbing case.”

Alvizar remains incarcerated at the Jerome Combs Detention Center for Predatory Criminal Sexual Assault/Victim <13YOA and Criminal Sexual Assault where he awaits a bond-hearing in front of a Kankakee County Judge later today.
